

GLOBAL IFA TRAVELLING LECTURESHIP PROGRAMME 2024

JOURNEY WITH GLOBAL IFA

27 FEBRUARY - 20 JUNE 2024

TOPIC: INTERNATIONAL TAX DISPUTE RESOLUTION

IN COOPERATION WITH:

INTERNATIONAL CHAMBER OF COMMERCE (ICC)

TAX EXECUTIVES INSTITUTE (TEI)

- “Practical approaches to international tax dispute avoidance and resolution” is one of the Main Subjects of IFA’s flagship event, its Annual Congress in Cape Town South Africa from 27 – 31 October 2024.

Steady growth of cross-border investment, mobility and global tax reforms suggest a critical need for improved international tax dispute avoidance and resolution mechanisms. We will address the subject from a holistic perspective with an emphasis on practical and strategic considerations, based on a review of existing mechanisms, the alternatives to domestic tax litigation, legal certainty, and efficiency considerations. The events will include a global lecturer and a panel discussion with corporate tax directors, practitioners, government officials and academics.

Prof. Guglielmo Maisto, The President of Global IFA

Prof. Robert Danon, The Chair of Global IFA's Permanent Scientific Committee

ABOUT IFA

Growing local, becoming global

13,000
global
members

represented in
114
countries

72 countries
have IFA
Branches

IFA Headquarters
The Netherlands

- **International Fiscal Association:** non-profit organisation founded in **1938**
- Study and advancement of international tax law and international public finance
- The only **non-governmental and non-sectoral international organisation** dealing with fiscal matters
- **Neutral and independent platform** where representatives of all professions, taxpayers, tax authorities and academics can meet and discuss international tax issues at the highest level

PARTNERS

ICC

Founded in 1919, the International Chamber of Commerce (ICC) is the oldest and largest business association, with members in over 170 countries. Drawing on the expertise, experience and ideas of businesses throughout its global network, ICC promotes multilateralism and the design of policies that work in and for the real economy.

TEI

Tax Executives Institute is the preeminent association of in-house tax professionals worldwide set up in 1944 (including more than 7,000 members).
